

Feline Fix Certificate

2700 Waialae Avenue Honolulu, HI 96826 | (808) 356-2200 | FelineFix@HawaiianHumane.org

The Free-Roaming Cat Spay/Neuter Program is a partnership between the City and County of Honolulu, the Hawaiian Humane Society and participating providers that offer no-fee spay/neuter services for Free-Roaming cats. This Certificate is valid for spay/neuter of one cat as described herein. The Feline Fix program tracks the demand for Free-Roaming cat spay/neuter services and the geographic concentration of managed cat populations on Oahu.

Caregiver Information

First Name		Last Name	
Phone	Email		
Street Address		City	State Zip

Feline Fix Terms & Conditions

2700 Waialae Avenue Honolulu, HI 96826 | (808) 356-2200 | FelineFix@HawaiianHumane.org

1. This organization is providing 100% subsidized spay/neuter services under the Feline Fix program. The following services are covered:
 - a. Anesthesia for Surgery
 - b. Spay or Neuter Surgery
 - c. Microchip
 - d. Ear Notch (Required)
2. I understand that all Free-Roaming Cats must arrive and remain in a trap at all times.
3. Free-Roaming Cat Caregivers are responsible for making a surgery appointment and complying with all instructions given by the Veterinarian and/or staff before and after surgery.
4. Free-Roaming Cat Caregivers must complete all of the information required on this Certificate in order to qualify for Feline Fix services.
5. I understand that there is a risk of injury or death with the use of anesthetics and drugs during surgery.
6. I understand that if a Free-Roaming Cat is pregnant at the time of surgery, the pregnancy will be terminated.
7. I understand that any cat who is medically untreatable or in severe or chronic pain will not receive surgery and the Caregiver will be contacted to discuss further options.
8. A pre-operative exam is not provided. All Free-Roaming Cats will be provided with an ear notch as a visible sign that spay/neuter has been performed.
9. This Certificate does not include medication or services required for the treatment of any post-surgical complications arising later than 24 hours after surgery.
10. I understand the animal will receive a small tattoo on his/her underside to show that he/she has been sterilized.
11. I acknowledge that I will receive Post-Surgical Care instructions and will provide proper post-surgery monitoring and care for the animal.
12. Clinics will not be responsible for any personal items (bowls, towels, etc) left in humane traps or carriers.
13. Caregivers must be 18 years of age or older.

If you have any questions, Contact the Hawaiian Humane Society at (808) 356-2200 or FelineFix@HawaiianHumane.org
